

Santa Sabina Center

SAFETY PROTOCOLS

Vaccination Requirement: All staff, presenters and retreat guests must be fully vaccinated for COVID-19 14 days or more before arrival and, update their vaccination status with a booster dose when they are eligible, this includes the latest Omicron variant booster. On the day the given program begins guests must bring:

1. proof of vaccination status indicating the guest's full name
2. the date(s) of the specific dose(s) vaccine, including boosters
3. the type of vaccine received
4. a driver's license or government ID corresponding to the name on vaccination record

- **Alternative to the above requirement:** While the above protocol related to vaccination and boosting is the preferred option, should an individual desire to participate in a program and not be able to comply with any part or all of the above, the individual must take two rapid antigen tests, forty-eight hours apart, testing negative prior to arriving on-site.
- **Masking:** While using a face mask is recommended, each presenter and group makes its own decision.
- **Ventilation/Air Filtration:** We have special air filtration units with HEPA/virus filters in all interior gathering spaces.
- **Hand Sanitizing:** There are hand sanitizing stations and bottles located throughout the Center.
- **Sick Policy &/or Medical Emergency:**
 - Take care of yourself and others by staying home if you have a fever (99.5 degrees F or higher), shortness of breath, or other COVID-19 symptoms. Please stay home if you have been in contact with someone with COVID-19 in the last 14 days.
 - If you experience a medical emergency during your stay, please call 911 immediately. Then, notify your group coordinator who will work with hospitality staff to direct emergency personnel as needed.
 - If you become ill during the retreat, please contact your retreat coordinator.
 - Since we are not a medical facility, we will not be able to let anyone recuperate or quarantine on site, but we will help you locate a nearby hotel if needed.
 - After seeking medical attention, please follow-up with the Center to let us know how you are doing and provide us with any health information that may affect other guests or staff.
